Youngs of Youlgrave gets down to business

It's now a couple of months since Amy Young took over Youlgrave Post Office and General Stores and although much has happened, with new stock and fittings, longer opening hours and bright new signage, there are even more exciting developments in the pipeline.

Central to the shop is, of course, the post office, but now the shop offers more newspapers and magazines, as well as cards and stationery. There's a wide range of confectionery, including jars of traditional sweets that are likely to stir fond memories from older residents as well as appeal to younger tastebuds. As the village off licence, there's a choice of wines, bottled beer, ciders and spirits, as well as a selection of dried foods and other useful household items.

"I always wanted to run a shop in the village," admits Amy, who has lived in Youlgrave all her life and is well known for her milk round. "We want this to be a true convenience store, open when

people want it, so we've deliberately extended the hours so we open up as early as 6.30am and don't close till 8pm on weekday evenings."

Together with her husband Paul, Amy has big plans for the shop, including new flooring and better shelving and lights, as well as extending the shop into the back rooms to increase the floor space and improve the all-round facilities.

Continued from front page

"The reaction from local people has been wonderful and really supportive," says Amy. "We're also determined to have a successful working relationship with the Bingham's Village Shop so that the two businesses complement each other and both thrive. But we've also had great feedback from the pubs and holiday cottages, whose guests can now buy a paper and other essential everyday items."

Thanks to the Youngs, the fortunes of the local community are certainly looking brighter now that the future of the village post office has been secured. Both Amy and full time sub-postmistress Emma Wardle have been fully trained and across the counter offer a surprisingly diverse range of customer services. As well as ordering foreign currency and paying car tax, household bills and council tax, plus a very efficient laundry service, you can wire money electronically to locations around the world via MoneyGram, send parcels and packages, and perhaps best of all enjoy a wide range of banking services. This includes cash deposits and withdrawals on all major high street banks, as well as paying cheques in.

"As banks continue to close their branches, most recently Lloyds in Bakewell," says Amy, "people will increasingly turn to post offices for this sort of hands-on service, and I'm

Emma and Amy behind the counter.

delighted we can offer this at Youlgrave Post Office."

Together with Peak Feast and Youlgrave Village Shop, the refreshed and attractive Youlgrave Post Office (all three run by enterprising village families, of course) shows that perhaps the trend away from village shops towards large supermarkets is slowing up and there is, after all, a place for well-run, well-stocked local shops tailored to local needs.

Youngs of Youlgrave looks forward to serving you!

Community-wide endeavours ensure

Since May of this year, members of Youlgrave W.I. have organised a number of sessions clearing ivy from gravestones in All Saints churchyard. On the first occasion, three gravestones were uncovered that were enclosed by a little wall and which for years had been completely concealed. They're located just past the children's graves and very close to the path – see photos right taken before and after the work. "In total, we have removed about two and a half lorry loads of ivy," explained W.I. member Judith Rimmer. "We'd like to thank Mick Shimwell for taking it all away!"

The idea for the project came from fellow member Gloria McCaul who explained where it had originated: "In Long Melford Hall in Suffolk there is a room concerned with the Battle of Copenhagen, and when I was there I told the guide there was a grave of a man who served under Nelson in that battle in our churchyard and I would send a photo of it. I did find it, but only after a struggle, and I thought how impossible it must be for anyone wanting to trace their family in such a neglected part of the churchyard. It

What it looked like before...

...and after

struck me what a worthwhile community project it would be for the W.I. to clear away as much ivy as possible."

She added that since some of the trees in the churchyard have now been trimmed there's been a general improvement in overall light and access. It's hoped that the project to uncover the gravestones will be resumed next spring.

Left: removing the ivy from the churchyard

All Saints churchyard looks its best

Although the Parochial Church Council organises periodic mowing and strimming, in part funded by a contribution from the Parish Council, there are always other jobs to do. At the same time as the W.I. have been doing such a sterling job clearing ivy from the gravestones, other residents continue to help out with general maintenance

throughout the churchyard – and in some cases have been doing so for many years.

Among the most active volunteers are Des Rhodes and Robert Bosley. They're generally busy from Easter through to October, variously mowing the grass, trimming the bushes and cutting back overhanging branches. Paul Nolan has also helped remove the young growth from around the base of the trees and cut back the elder bushes. Harry Stacey mowed the long grass at the bottom of the churchyard for many years, but this time Joseph Shimwell kindly took on the task. For a long time the late Eddie Oldfield and the late Michael Gibbs were also willing volunteers, and the present team would like to thank Eddie's son George Oldfield and daughter Carol who, on his death, donated two of Eddie's lawn mowers so that they could continue with their work.

There are plenty of other local people who, over many years, have quietly spent a lot of time helping to ensure that All Saints churchyard continues to look its best. In particular, special mention should be made of the work done by Lillian Clark and the late Margaret Folley.

Thanks to all their efforts, the churchyard of All Saints continues to remain both attractive and accessible and a credit to the village.

Three years of 'Walking for Health' in Youlgrave

The Youlgrave 'Walking for Health' group held its first walk on 23rd September 2014 and over the past three years we have walked regularly in the Youlgreave area on the second and fourth Tuesday of each month. Occasionally we car share and go further afield. Other destinations have included Winster, Elton, Birchover and some local trails.

Since the walks started they have been led by Pete Tapping and Linda Neale who are both volunteer leaders. There are still a number of walkers who were on the first walk still walking regularly with the group. Over the past

The Youlgrave group walking near Birchover.

three years not only have we welcomed walkers from the local villages but from Litton, Matlock, Monyash and Biggin and people holidaying in the area from as far afield as Leicester and Lincoln.

Although the winter is fast approaching there are still days when getting out of the house for a walk can really lift your spirits and get you fit, so why not join us? Walking is a wonderful form of exercise that can keep you healthy, living longer, meet new friends and even put a smile on your face. Walking as part of a group is a good way to start and you will find that everyone encourages each other.

There are some beautiful walks in the area, you may discover new ones that you did not know about. Our aim will be to provide walks to suit different levels of fitness.

What you can expect

Trained walk leaders, good company, safe routes to walk with shorter walks for beginners. All our walks are free and the pace is set by the walkers themselves. It's perfect for people who don't fancy intense exercise you can start off slowly and build up gradually till you feel more confident. Please wear some good comfortable shoes and taking weather conditions into account you may need a waterproof or 'brolly'. Also bring some change just in case we stop off for a 'cuppa' either 'en route' or afterwards. So if you would like to get active please come along and join us you will be made very welcome.

We meet at 10.30am at Coldwell End Car Park, Youlgrave. The walks are held on the second and fourth Tuesday of each month, the dates of the walks till the end of year are on **14th and 28th November**; and **12th December**. Walks will recommence in the New Year on 9th January 2018.

If you would like more information please contact Pete Tapping (mobile 07752 463918) or Linda Neale (01629 650625). For further details go to www.derbyshiredales.gov.uk/walkingforhealth.

CHRISTMAS WITH YOULGRAVE BAND

Don't miss celebrating Christmas music with us – it's a brilliant way to get into the spirit of the season.

We will be playing three concerts, so if you cannot manage one you can listen to us at another locally. We have some lovely new music you will all know but not have heard us playing before, such as a Mozart concerto, some beautiful solos (probably Ashokan and Ben, maybe Benedictus, Tara's theme from 'Gone with the Wind') musicals, jazz, marches and more.

In the Youlgrave concert the ever expanding and progressive learning band will play, followed of course in the second half with Christmas carols. To end the evening there will be refreshments. We hope you will all be able to come and support us.

PS – we are in need of a drummer/percussionist. We have an offer for someone to teach a new or part experienced drummer who would like to join us. Contact Judith on 630202

Shoeboxes bring Christmas cheer to the most needy

It's almost that time of year again when we start filling up empty shoeboxes with goodies for some of the most needy children in the world. Leaflets explaining the project, organised by the charity 'Samaritans Purse', are in the Village Shop, Post Office, Peak Feast, churches/chapels and pubs. If you need a few ideas of what to put in your box there are some printed suggestions on the table in church and at various places round the village. Please take one if you wish.

The collection date this year is earlier than usual. Please bring your boxes to the Shoebox Family Service at 11am on Sunday 5th November at All Saints' Church, or drop them off in church the day before. If you would like to visit the warehouse in Chesterfield where they are collected and checked please ring Barbara on 636601. For more information ask Lisa Bingham in the Village Shop or ring Barbara.

Churches in Youlgrave – Death and Life

Much of the Church calendar at this time of year focuses on life and death. At the beginning of November we have All Souls' Day, when we remember our loved ones who have died. On Remembrance Sunday we remember all those who have suffered, and still suffer, as a result of war. Then in Advent, our focus turns to new life as we prepare to welcome afresh into our lives, the baby Jesus. In Jesus, God became human to teach us a deeper compassion for all who suffer, but also to teach us how to find true and abundant life even in the midst of the deepest darkness of our world.

Yours in Christ,
Louise Petheram
rev.louise.p@gmail.com 01629 636814

Please pray

For peace and reconciliation around the world.
For all those suffering as a result of the trauma and the tragedy of war.
For the families and friends of those whose funerals have taken place at any of our churches recently.

Thank you!

To all those who supported the Samaritan's Purse Shoebox Appeal and the Leprosy Mission coffee morning.

Memorial Candles in the church

From the beginning of November the lists for memorial candles will be in Church, Youlgrave Village Shop and Youlgrave Post Office. The candles cost 50p each. Money can be given to Catherine Birch, Barbara Scrivener or to either the Village Shop or Post Office. It would be helpful if the money could be in an envelope with your name and the name of the person to be remembered written on it please. Also please tick off paid on the list. New candle details can be added to the bottom of the current lists.

A big thank you to Alison and Andrew Parker who in the past have collected in money and had a list in their Shop and Post Office. Thanks to Lisa Bingham and Amy Young for taking on this role in their shops.

Many thanks

100 years ago: NEWS FROM THE HOME FRONT

Third Ypres

The Battle of Passchendaele which had started on 31st July officially ended on 10th November 1917 following the capture of the village and ridge beyond by the Canadian Corps. Some troops had been sent to Italy to support them in their fight against the German reinforced Austro-Hungarian advances. This somewhat depleted the British Army, both in its superhuman efforts in the Ypres salient, but also at the Battle of Cambrai (20 Nov-3

Dec) when an initial breakthrough by tanks and infantry was not fully exploited. It is likely that some local men who had been serving with the Derbyshire Yeomanry may have taken part as they had been transferred to the Tank Corps.

Russian Revolution

In October/November 1917 the overthrow of the Tsar and subsequent Bolshevik peace negotiations with the Germans released even more German troops for the western front, where fortunately the arrival of American troops into the front line alongside the French assisted the Allies.

Youlgrave Wildlife Notes: October 2017

A rather poor late summer has given way to a mild and often pleasant autumn – if you ignore the occasional hurricane! The butterflies are certainly enjoying it, with large numbers of red admirals right up to the time of writing. Warblers too, normally a summer visitor, are still being seen. These are probably chiffchaffs, though, since without the song some warblers can be very difficult to distinguish. Of our resident birds the kingfishers have continued to give a lot of excitement and pleasure. Pairs have been seen on a number of occasions even showing territorial or courting behaviour. Also on the river dippers, pied and grey wagtails and herons have been regularly seen.

Birds seen overhead have included cormorants and geese. The geese may well have been pink-footed geese, though at that height I could only rely on their calls which were far from distinct. Birds of prey have frequently been seen, with a most spectacular sighting of a goshawk on the ground with a pigeon above Alport. These wonderful birds, rather like a very large sparrowhawk with the female nearly as big as a buzzard, are specialist woodland hunters capable of high speed chases with great manoeuvrability. In our garden a sparrowhawk is still killing and eating collared doves. We do have plenty to spare. Buzzards too, can, often be seen and heard over the Dale. Tawny owls have been heard in the Dale and, much more exciting, barn owls. In gardens, tiny treecreepers and goldcrests have been recorded and there are lots of greenfinches, goldfinches and the

occasional bullfinch. Nuthatches are regular visitors to feeders down Holywell Lane. The winter thrushes, redwing and fieldfare, have just started to arrive. I saw a flock at Friden this week, so please look out and report first sightings in the village.

Deer, presumably black fallow deer, have been seen down Alport Dale and the red deer rut is in full swing on the Eastern Moors and Big Moor. What a noise these huge beasts make! I picked a wonderful day for my pre-writing walk. The 27th started with a slight frost, but the clear skies soon warmed things up in

the sun though it stayed chilly down in the Dale. I found 28 species of wild flower in bloom. Two of them had the word "spring" in their name, spring sandwort and spring whitlow grass. Certainly the whitlow grass was very confused, as is

normally one of our first spring flowers. Very few of the flowers had many individuals, though the blue ivy leafed toadflax on the walls and a number of dandelion type flowers were reasonably common. The highlight of the day was five buzzards soaring over Hollow Farm, joined by a lone sparrowhawk. Their mewing calls just added to the atmosphere. A goosander and a couple of dippers in the Dale were almost an anti-climax.

My thanks to this month's correspondents: Simon, New Road Birders, Colin, Sara, Ian, Peter, Keith, Andrew, Vicky and Eilean.

Youlgrave Primary School rises to the Brownlee triathlon challenge!

The sunshine played its part on Thursday 28th September as 28 of our Junior children set off for Woodlands School in Allestree to take part in a triathlon organised by the Brownlee Foundation and HUUB Events.

Olympic stars Alistair Brownlee and Jonathan Brownlee hit the headlines last year by bringing home Gold

and Silver medals from the Rio Olympic games. They hit the headlines later in 2016 when Alistair helped brother Jonny to get to the finish line in the World Triathlon Series Championships Final. Jonny had collapsed from exhaustion in the final few yards of the race and so Alistair spotted him and picked him up, urging him on. Amongst other things, this earned Alistair a place in the running for the BBC Sports Personality of the Year, losing out in the end to Andy Murray.

Alistair Brownlee at the triathlon event at Allestree.

We therefore jumped at the chance to give our children the opportunity to meet the brothers; and to take part in a brilliantly organised event that saw over 1,200 children from around Derbyshire swimming, running and then cycling.

Every child from our school completed the course and was rewarded with a medal and a goody bag stuffed with treats, none of which made it back to school! Alistair Brownlee also signed everyone's t-shirt individually - to much excitement and chatter by the children - giving them a lasting memento of the day.

Headteacher Mrs Stelling said: "It's not every day you get to meet Olympic Champions. The children who took part came back to school exhausted and damp, but buzzing from the excitement of the event. We already have accomplished cyclists and a triathlete in our midst and so, who knows, maybe this might inspire some of our students to follow in the footsteps of Alistair and Jonny? Watch this space!"

Youlgrave Guides awarded top honour

Last month we were proud to welcome the County Commissioner to present Amy Bingham, Isabel Lovell, Hannah Stefan and Ella Walker with their Baden-Powell Award, the highest award a Guide can achieve.

To gain their award they have completed a wide range of activities from five different areas: Healthy Lifestyles, Global Awareness, Discovery,

Skills & Relationships, and Celebrating Diversity. Activities including gaining badges such as Water Safety and World Issues, running an international evening, sports evenings and cooking competitions. They have all extended their skills in a hobby and reflected on their own lifestyles and cultures.

These girls have not only worked hard to gain their award but also been committed and active members of the unit for the past six years, attending meetings camps and travelling abroad with us. We are really proud of their achievements and wish them well in the future. *Penny McCloy*

Let Tai Chi take your pains and stresses away

A group of us have been meeting on Wednesday mornings for Tai Chi for almost a year now and we'd like to share our experiences with you.

Sarah is a brilliant teacher who enables each of us to learn at our own pace and gain benefit at whatever level we have achieved – even as a complete novice.

The techniques of Tai Chi can be applied to everyday life and you can reap the benefits in ways that may not be expected.

The health benefits are well documented and include a reduction in

blood pressure, the ability to handle and cope with stress, and increasing core strength and improving posture so those niggling joints get less niggly and pain eases.

So come and join us and see what it can do for you. It's fun, relaxed and very sociable and no experience is needed. For more information contact Sarah on 07815 190476 or Joan on 636195, or simply turn up. Classes are held on Wednesday mornings 10-11am at Youlgrave Village Hall.

First film of the Socialist Cinema Season at Bakewell Town Hall, Friday 10th November at 7.30pm

Salt of the Earth (108 mins)

Made in Mexico in 1954 this is the story of a miners' strike. Based on the long and difficult 1951 strike against the Empire Zinc Company in Grant County, New Mexico, the film shows how the miners, the company, and the police react during the strike.

The film explores the basic dignity and rights for Hispanics, for women, and for workers. The Union fight, the women's rights struggle, mining safety issues, are all defined beautifully by a cast of largely non professional actors – but

all achingly real. This is an historically important early 'independent' film, made by artists blacklisted from Hollywood for their liberal beliefs and for refusing to testify against others. This was the only film in U.S. history that was itself blacklisted and kept out of theatres, despite positive reviews.

If you are interested in the struggle of working people this film is one that you must see! A history lesson worthy of being a classic, it is not to be missed. To be screened on **Friday 10th November**, 7.30pm, Bakewell Town Hall. Tickets at the door £5.

Moonlight (Cert 15)

Friday 10th November

7.30pm, Youlgrave Village Hall,
free to members or £5 on the door.

A young, African-American, gay man deals with his dysfunctional home life and comes of age in Miami during the "War on Drugs" era. The story of his struggle to find himself is told across three defining chapters in his life as he experiences the ecstasy, pain, and beauty of falling in love while grappling with his own sexuality. Winner of three Oscars (2017), including Best Film. *1hr 51 min.*

Church Farm Recipe, November 2017

Black Bean and Pork Soup

Ingredients

1 tbsp oil
600g boneless skinless pork shoulder
cut into chunks
250g uncooked chorizo sausages
1 large onion peeled and chopped
1 large carrot peeled and chopped
1 celery stick chopped
2 garlic cloves crushed
1 tsp ground coriander
2 tbsp tomato puree
250g can black beans
Chicken oxo cube
320ml water
400g chopped tomatoes
Handful of chopped
coriander or parsley to
serve

Method

Heat the oil in a large
saucepan over a medium
heat. Brown the meat on
both sides then set aside
and then add the sausage
and brown all over and set
aside with the pork on a
plate.

Turn the heat down and
add the onions, carrot and
celery for 12 mins until
soft. Add the garlic and
ground coriander and cook
for one minute.

Add the tomato puree,
black beans and oxo,
chopped tomatoes and
pork, along with 1.2 litres
of water. Boil rapidly for 10

mins then cover with a lid and reduce
to a gentle simmer for 1hr 30mins or
until tender, adding the sausages back
for the last 30mins. Skim any foam off
the top regularly.

Once the meat is tender take it out of
the pan and roughly shred it. Take out
the sausages and slice. Add both back
to the pan and stir. Add more water at
this stage, depending how thick or thin
you like the soup.

Serve with a sprinkling of chopped
coriander or parsley, if you like.

WI ladies sparkle and shine

At our annual Coffee Morning last month all the stalls were praised for their tempting goods and professional presentation. As usual, the raffle hampers were fabulous, the crafts excelled previous efforts, as did the books, bric-a-brac, tombola, refreshments, etc. But this popular event could only succeed with the enormous help and organisation offered by our members, including newer ladies. Well done all those who helped in any way.

WI get crafty at the annual Coffee Morning.

Our monthly meeting in October was deemed a most positive, moving and worthy subject – the Aquabox charity from Wirksworth, founded 23 years ago. Using microfibre filters, water is purified by a simple pump which can clean 16,000 litres and last roughly six months.

John Dolan showed us the amazing contents of the boxes and, apart from the purification equipment, communities receive 70 items including a blanket, toy, solar lamp, bowls and so on.

There were 23 more teddies and blankets knitted by our members, which were gratefully received at the meeting. Prior to the meeting, we sang a heartfelt “Happy 90th Birthday” to Margaret Deeming, a long-standing WI member, and with some help she blew out the candles on her well-lit cake.

October Supper Club brought Hallowe’en hilarity as usual, with delicious baked potatoes to warm us up. Our outing to the BBC at Salford was on a lovely day, travel by train went smoothly, and our own

weather girl, Cath Fellows, was a natural on screen!

Early November offers another of our Group Meetings, held this time in Bakewell, with a large group of us looking forward to lasagne and meeting an impresario! The November WI meeting is on Tuesday 14th, a chance to get crafty again with Lyn Nolan. November Supper club will be a very special evening, at the Village Hall, on Thursday 30th, as another Christmas Party gets under way.

Our choir has started Christmas rehearsals, and a new Writing Group met last month with several keen members attending. Book group and Craft Group continue to attract regular members too. Craft meetings will be at the Community Room on Mondays November 6th and 20th at 2pm.

Plans are now in place for the 2018 Programme, and even for 2019, our Special Centenary year!

Reflexology in the comfort of your own home

Reflexology is a complementary health care therapy, based on the theory that different points on the feet correspond with different areas of the body. By using alternating pressure on your feet, reflexology helps the body to restore its natural health.

I run friendly mobile service bringing everything to you. This way you can enjoy a professional and relaxing treatment in the comfort of your own home.

Granby House, Youlgrave

Do you live on your own and feel the need for more company and support, but don't want a care home?

At Granby House you can be as independent as you want. You can eat meals cooked by the staff, go on the many social events and treat your en-suite room as you would your own home. All rooms are connected to an alarm system and help can be summoned at any time of day or night.

If more assistance is needed, home help can be arranged. Financial support is available in the same way as it is in a private house. The weekly costs can be surprisingly modest.

If you are interested in hearing more about Granby House, please ring Pat Cleaver on 01629 636836 or email granbyhouse@gmail.com.

Burton Closes Hall Care Home is currently recruiting for vacancies for **Registered Nurses, Kitchen Assistants and Health Care Assistants**. We offer a competitive rate of pay and development opportunities. The beautiful Grade II listed building offers wonderful views across Bakewell with easy transport links.
