a) Public – An expression of thanks was given for the new street lights but it was noted that we've currently lost one at the bus stop on Church Street and only part of the village has been done. The keeping of bins on the road at Church Corner was also raised of concern in the vicinity of the Grade I listed building.

b) PDNPA Member reported on Parishes Day which he and the clerk had attended. The Sustainable Communities theme had shown many parishes with similar concerns for public services, shops, schools and post offices and the PDNPA Chair has written to the Chair of RBS following a request at the Day to ask that the closure of Hathersage be reconsidered or Mobile Banking be instigated as with its loss the Nat West in Bakewell will be the only bank in the Peak Park with many branches on its borders also vanishing.

District Councillor noted that DDDC have also written to RBS and that the Dust Bin collection review is being decided on currently.
