## Additional governance issues (Optional information)

•

Youlgrave Parish Council manages Alport Lane Playing Fields on behalf of Fields in Trust and Holywell Lane Public Toilet Block on behalf of the charity. The charity holds the assets and all funding and management is provided at cost to Youlgrave Parish Council which offsets any income directly attributable to the assets against running costs and provides the balance of funds from the precept to ensure the charity does not make a loss.

## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

Provision of a playing field and recreation ground along with amenities for public use.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The Parish Council maintains and renews the assets as well as enhancing this by provision of specific items for play and exercise from its funds to give added value to the public use. The field areas are open year round and toilet blocks for as much of the year as council deems safe from the extremes of weather or closure for essential maintenance. Regular inspections of the facilities are carried out and Council encourages team sports by provision of dedicated areas for football and cricket with a pavilion available for team use. It also leases an area to the Bowls Club for their pavilion and green.

## Section D Achievements and performance

**Summary of the main achievements of the charity during the year**

**Queen Elizabeth II Alport Lane Playing Fields**  
This area is used by the Football, Cricket and Bowls Clubs and by Youlgrave School and the Youlgrave Carnival on an organised basis; as well as being used throughout the seasons as a safe play area for village children and visitors alike.  
Improvements have been carried out to enhance the experience of users of this valuable facility.

- Provision by Council of Air Fitness equipment – continues to be used and now supplemented by a bench to encourage companions to join the users.
- BMX trail still well used. Childrens play area and MUGA fencing repairs carried out and MUGA surface swept

**Holywell Lane Toilet Block**  
Cleaner keeps getting thank you notes in the honesty box and the donations are increasing. Roof replacement completed exhausting the reserves held

## Section E Financial review

**Brief statement of the charity's policy on reserves**

The charity has set aside budgets from the Parish Council for maintenance and repair. HLTB has a small reserve left over from the roof repairs towards next year's expenses.

**Details of any funds materially in deficit**

Council runs these amenities for the benefit of the parish and intends to continue support for the foreseeable future.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The main sources of income are two honesty boxes, a DDDC mowing grant and rents from club use. The Parish Council pays for any shortfall to cover the costs hence a balance of income and expenditure annually. Due to an accounting practice change by DDDC we received two mowing grants in the same financial year. This means that the charity showed a profit for that year and did not need Council to make up the shortfall. However the roof replacement at Holywell Lane has eaten this profit up and Council now makes up the shortfall again.

## Section F Other optional information

DY397048 – Title to Holywell Lane Toilet Block

Field Reference Number – 144QE – Queen Elizabeth II Field (Alport Lane Playing Fields) July 2011
