*Registered Office:* **Youlgrave Garage, Alport Lane, Youlgrave DE45 1WN**

Registered in England & Wales - Registered Number: 3156766

VAT Registration No. 126 4133 00

## INFORMATION SHEET

Youlgrave Waterworks Limited is a company limited by guarantee.

The water supply comes from a spring and a well in a disused mine which are separately licenced for abstraction by the Environment Agency. This flows through a treatment plant and is monitored on a daily basis by the waterworks for PH levels.

The water is independently tested on a regular basis by Derbyshire Dales District Council Environmental Health Department which is contactable through their website, email: [envhealth@derbyshiredales.gov.uk](mailto:envhealth@derbyshiredales.gov.uk) or by phone on 01629 761212

The Environment Agency also test the springs throughout the area for their own monitoring requirements.

Youlgrave Waterworks Limited is governed by the Private Water Supply Regulations 2009.

It only provides the water supply. Water Plus (formerly Severn Trent) deals with the sewerage.

The rate for the twelve months ending 31<sup>st</sup> March 2021 is £217. Domestic properties are not metered. Empty properties still have to pay the water rate unless disconnected by arrangement with our engineers.

A brief history from 1829 when water was first piped to the village and other details are available on the waterworks page of the village website –

[www.youlgrave.org.uk](http://www.youlgrave.org.uk)

An administration charge of £25 plus VAT is made for dealing with any further enquiries and supplying copy documents. A receipted Vat invoice will be issued as appropriate.
