F714171 – Mawstone Lane – washed out gravel impeding driving conditions.
F714278 – Conksbury Bridge – DCC grit bin needs resiting and filling to prevent damage

- 2823 Report of the Clerk / update on: -

- a) Charity 520537 assets:

Playing Fields – ALPF – Playgrounds opened with advice that wipes and sanitizer must be brought and used. Notices changed on all pieces of exercise equipment to say wipe down and use at own risk. ALPF pavilion and toilet block not yet opened. Cricketers are in action only using the loo and the scoreboard. Wasps reported in the scoreboard.

The BMX track is closed with notices up and circulated to warn school.

The Bowls Club approached Council for support for its lighting towers as they intend to seek planning permission. We have already had a complaint from the overlooking neighbour from when they were tested. Council noted its opposition in principle to retrospective applications but if planning is required will give consideration when an application is received.

Council received a bill when we arranged a digger to sort the vandalised play area with a water pipe trench included and asked for a contribution. The Bowls Club has queried why they should pay for digging the trench to reroute their water pipe which runs under our Alpf toilet block blaming us for their recent leak despite the block being built 25 years

ago. Council resolved to ask for separate bills as the trench was not authorised by it. The WI request to use the playing fields for a social distanced picnic next month was welcomed.

Our new PCSO has noted that the trees around the BMX track should be thinned. The clerk will contact PDNPA Tree Officer for advice on thinning.

HLTB – has had major problems with multiple blocking of loos and drains with hand towels. Fortunately, the Government has allowed hand dryers to be used again so all now removed. Notices amended and paper towels removed. Quotes are to be sought for the back wall.

(b) CE Car park/field, Allotments and other assets

Allotments – all renewed and short waiting list.

CE Toilet Block – locks have been tweaked to ensure automatic closure operates, Hand dryers switched back on, hand towels removed and notices amended. The Disabled door has been damaged by swinging hard into the stone. A barrier at right angles was suggested to a) prevent over swing and b) stop cars from getting too close.

2824 Review of Toilet Block provision and other assets under Covid

Agreed to keep 3 cleans per week including one on a weekend day until end of September - Council to review at next meeting. ALPF block to remain closed for the summer due to hygiene and safety fears if opened.

2825 Website Accessibility Regulations

Advice from DALC is due this week. A statement will be put up on our site before 23rd September deadline based on their recommendations and future requirements brought to the next meeting.
