Flooding at Bradford – the EA have not yet replied. An offer to use some chippings from the pile to consolidate the Mine track on the Coach Road whilst welcome needs making to the landowner or DCC Rights of Way. Several mobility scooter accidents have been narrowly avoided on the potholed area which urgently needs attention.

2939 Report of the Clerk / update on: -

a) Charity 520537 assets:

Playing Fields – ALPF – Cricket – a date for emptying store is being agreed. Youth Club will need adult volunteers to come forward if it is to re-start.

Works to bmx track awaited and removal of further trees has been agreed with PDNPA.

Toddler area fence needs fixing.

HLTB – open and being cleaned twice a week.

(b) CE Car park/field, Allotments and other assets

Allotments – all renewed.

CE Toilet Block – open and cleaned twice a week currently, the lock on the gents is not always connecting so the automatic mechanism can be temperamental. The light fitting needs replacement. Painting to be arranged for woodwork.

The play area has been tidied and is safe for now. The Clerk will apply for an A4A grant to be topped up with our funds. The bench near the toddler area will have new slats and back – recycled material planks were deemed too expensive and 4 – 3m deck boards would be ideal, legs to be painted with hammerite – suggested as a volunteer project.

(c) New Website

The emails and domain names have been transferred to sbat servers and a new site is being finalised currently and available to view.

2940 Bradford Dale parking issues

Council agreed there is no easy fix as the highway is accessible to all and yellow lines will move the problem to other parts of the village. Temporary car parks would be a solution but level ground is an issue and if a field is used then cordoning off the remainder a cost and if asked to pay most will congest the road so negating the benefit. PDNPA are relaxing temporary parking limit rules this year to help but land is needed. Council agreed that this needs raising with Highways as a matter of urgency and everyone needs to lobby the County Councillor after the May 6th elections to get measures put in place for this summer's expected hoards.
