## Section B

### Structure, governance and management

#### Description of the charity's trusts

Type of governing document

Trust Deed

How the charity is constituted

Trust

Trustee selection methods

Youlgrave parish councillors make collective decisions as a Council

## Additional governance issues (Optional information)

•

Youlgrave Parish Council manages Alport Lane Playing Fields on behalf of Fields in Trust and Holywell Lane Public Toilet Block on behalf of the charity. The charity holds the assets and all funding and management is provided at cost to Youlgrave Parish Council which offsets any income directly attributable to the assets against running costs and provides the balance of funds from the precept to ensure the charity does not make a loss.

## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

Provision of a playing field and recreation ground along with amenities for public use.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The Parish Council maintains and renews the assets as well as enhancing this by provision of specific items for play and exercise from its funds to give added value to the public use. The field areas are open year round and toilet blocks for as much of the year as council deems safe from the extremes of weather or closure for essential maintenance. Regular inspections of the facilities are carried out and Council encourages team sports by provision of dedicated areas for football and cricket with a pavilion available for team use. It also leases an area to the Bowls Club for their pavilion. The primary school uses the field for activities as they have no grass areas.

## Section D Achievements and performance

**Summary of the main achievements of the charity during the year**

**Queen Elizabeth II Alport Lane Playing Fields**  
This area is used by the Football, Cricket and Bowls Clubs and by Youlgrave School and the Youlgrave Fun Day on an organised basis; as well as being used throughout the seasons as a safe play area for village children and visitors alike.

The Pommie Panter raised funds for the field by use as a one day car park for those taking part – this is set to become an annual event. Improvements have been carried out to enhance the experience of users of this valuable facility. CCTV has been installed on the Pavilion and Toilet Block and power laid on to the toilet block.

**Holywell Lane Toilet Block**

Well used by walkers – maintenance and new cctv system installed

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The charity has set aside budgets from the Parish Council for maintenance and repair.

### Details of any funds materially in deficit

Council runs these amenities for the benefit of the parish and intends to continue support for the foreseeable future.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The main sources of income are two honesty boxes, a DDDC mowing grant and rents from club use. The Parish Council pays for any shortfall to cover the costs hence a balance of income and expenditure annually.
